**Qualification:** A market grower is a person who purchases our product, replants it, and either re-sells plant starts or profits from the harvested crop. There are minimum order quantities and increments that must be met to qualify for the Market Grower discounted pricing. Only selected varieties are sold at market grower pricing.

**Ordering:** Irish Eyes must have a completed copy of this Market Grower application on file to place orders using the discounted prices. We require hard copies of all orders. Please send orders via email, fax, or mail. Phone orders will not be accepted. We will begin accepting pre-orders for fall shipping the first week in August. We will begin accepting pre-orders for spring shipping the first week in November.

**Fulfilment:** As you know, farming is dependent on the weather and many uncontrollable factors that may impact our harvest, storage, and shipping. Unfortunately we do occasionally lose product and have to postpone shipping dates during these instances and we greatly appreciate your understanding and cooperation.

**Payment:** Full payment must be made at the time of placing the order to allocate stock for the order. Should payment be delayed, the customer runs the risk of having varieties sell out or become unavailable. There are no payment terms for market growers at this time.

**Cancellation:** When a bulk order is placed, fulfilled, completely packaged, and moved into cold storage until the appropriate ship date; and then the customer cancels the order, the customer will only be refunded 75% of the purchase price and Irish Eyes will retain the remaining 25% as a fee for labor and packaging material loss.

**Refunds:** Per Irish Eyes Garden Seeds product satisfaction guarantee, if you are unsatisfied with the product we will replace or refund the customer within 1 year of the purchase date. The refund will be for the purchase price of the product only. Irish Eyes will not refund the customer for shipping fees.

I hereby have read, understand, and accept the above criteria Irish Eyes Garden Seeds has for market growers. It will be my responsibility to notify Irish Eyes about any changes to account information.
