

**KALE: OG LACINATO OKA451P \$2.99/1 GRAM**

Heavily bumpy, very dark green, almost black leaves. Long, crinkled leaves are not curly like regular kale and add an interesting texture and color to salads. Grows well in both the heat and cold. Ornamental as well as edible. Also try: Red Russian, Blue Scotch Curled, Red Ursa and more.

**KOHLRABI: OG EARLY PURPLE VIENNA OKO100P \$2.99/1 GRAM**

Strikingly purple with a white interior. A little smaller than White Vienna. Pick early, at about 2.5", to avoid woodiness.

**BK102 \$19.95**

Highlights 100 heirloom vegetables that are the easiest to grow and the tastiest to eat.

Also try: Early White Vienna

**LETTUCE: OG BUTTERCRUNCH OLE137P \$2.99/1 GRAM**

Thick, tender, dark green, rich flavored leaves in loose 4.5" rosettes. Heat resistant variety with sweet, blanched centers. AAS winner, 1963.

Also try: Iceburg, Yugoslavian Red, Mild Mesclun Mix, Green Salad Bowl, Parris Island Cos and more.

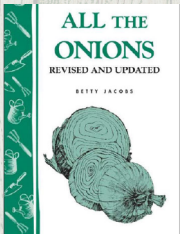

**MUSKMELON: OG HALES BEST JUMBO OME202P \$2.99/1 GRAM**

Drought resistant plants produce 4-5 pound fruits with thick, sweet, salmon colored flesh. An old time favorite introduced in 1923.

Also try: Minnesota Midget, Rocky Ford Honey Dew, Sungold and more.

**ALL THE ONIONS BOOKLET GW101 \$3.95**

Complete cultural practices including curing for: garlic, shallots, walking onions, potato onions, elephant garlic, leeks and chives.

Also try: Grow the Best Corn, Container Gardening, Grow Super Salad Greens, Easy Composters You Can Build and more.

**ONION: OG WALLA WALLA OON701P \$2.99/1 GRAM**

For generations this variety has been the pride of Washington State's onion producing region. This famous Northwest gourmet sweet onion can be grown from seed.

Also try: Evergreen Bunching, Borettana Cipollini and more.

**NETTED ONION ROPE NR401 \$5.00**

25' of "rope" that can extend to a 10" diameter. Cut and knot for perfect sized bags.
