

TOMATO: OG EARLY BUSH BEEFSTEAK OTT092P \$3.39/30 SEEDS

Vigorous dwarf vines, solid, meaty and crack resistant that produces 8 ounce fruits. Rich red inside with very few seeds. Excellent, fine-flavored, mild eating tomato. Abundant yields up to 25 pounds per plant. Needs strong staking. Developed in Manitoba.

Also try: Siletz, Pineapple, Green Husk Tomatillo, Yellow Pear and many more.

WALL-O-WATER GS181 \$11.50

Sturdy plastic pockets diffuse light and hold the day's heat when filled with water. Takes care of your favorite plants through freezing nights and hot days. Leaving you time to eat tomatoes!

TWIST & TIE GS151 \$2.69

100 feet of sturdy twist tie like the old fashioned bread tie. Includes a spool and cutter. Great for fastening shrubs, plants, flowers, vines or decorations.

TURNIP: OG PURPLE TOP WHITE OTU100P \$2.99/2 GRAMS

A fast growing, crisp turnip that is purple above ground and white below. Grows quite large; up to 6" and remains tender but is best when pulled at 3-4". Fine grained white flesh. Stores well.

Also try: Golden Globe

HORI HORI KNIFE HK100 \$23.75

This knife is great for weeding in garden beds and its serrated side can cut through tough root masses when you are dividing or transplanting.

WATERMELON: OG CREAM OF SASKATCHEWAN OME310P \$2.99/1 GRAM

Vigorous growth in early summer produces 14" green striped, round melons by August. Creamy white flesh, rich, fragrant, old fashioned flavor. Delightfully sweet! Grows well in cooler northern climates.

Also try: Early Moonbeam, Moon & Stars Red, Crimson Sweet and more.
