Approved? YES / NO

We believe in giving back as much as possible. Our seed donations are free, we only ask that you cover the shipping costs. We do not profit from donating these seeds. What money may be left over after shipping will go towards buying supplies for orphanages in Mexico; formula, bottles, clothes, toothbrushes, etc. These prices are laid out below with our different donation packages. Please read through and circle the option that best fits your needs. As these packages are based on current availability, we will mix both organic and conventional seeds to fulfill your order. All of our seeds are non-GMO.

Please note that are restricted to ship within the United States only.

Early Learning Package (7 Packets) – \$5.00 Approximate retail value of \$14.00

This package is for our teachers striving to educate our youth about the importance of growing our own food. These are quicker growing seeds suited for the antsy learner.
